

Experience ILUNO - Free Lessons!

Planning to study in the U.S. can feel challenging, and ILUNO wants to help students. We are excited to share that ILUNO is online, and we want to show students what studying online can look like.

We invite you to join us for FREE online English lessons on **November 11th and 12th**. Come practice your English, and meet our instructors and students!

**Come with a classmate or friend. Invite your family.
We hope to meet you soon!**

“

ILUNO for me was a good experience. I made a lot of friends who came from different countries, and we shared our cultures together.

I was impressed by how the teachers are passionate to teach and try to understand our mistakes. They spend their time and energy to make us feel good. ILUNO helped me to improve myself in English, and now I speak, write, and understand more easily.”

Experience ILUNO!

Practice your English

We will have two 1-hour lessons to practice speaking, listening, and conversational English. Click the link below to find out more or to register for the session. We will send out an email reminder with the Zoom link before each lesson.

Meet our instructors

Our instructors are well-trained, kind, and engaging. We want you to meet our instructors and see how we teach. It is important to feel comfortable when you study another language, so come get to know us better!

Hear from our students

ILUNO students can help you understand what the ILUNO experience is like. We will invite some of our current and past students to answer your questions and talk about what ILUNO was like for them.
