MEBON by Machine Jeans is a Los Angeles based design and manufacturer with the goal of becoming one of the top fashion forward brands in the world. Gearing towards women who dare to be different, we strive to become the go-to destination for all fashionistas who crave upcoming trends on the fashion circuit.

With our very own R&D (Research & Development) facilities, no other manufacturers can compare with our competitive factory direct prices. Our goal is to provide our customers with high quality products with the most competitive costs so that all savings can be passed on to you for maximum discounts and value. In other words, we skip the middlemen in order to provide the finest essentials at truly disruptive prices.

MEBON's team consists of respected designers who are constantly pushing the envelope to innovate and create pieces that are both compelling and distinctive to our customers. Our team aims for our customers to feel an emphatic connection to our brand and strives to stay ahead of the trends to be the must-go destination for the true fashionistas.
