Planiom Group, Inc. is a professional, full-service accounting firm serving individuals, businesses, and non-profit organizations throughout the U.S. We have a well-earned reputation in many accounting service areas, including corporate and individual tax planning, return preparation, and representation before various taxing authorities. In non-tax areas the firm has demonstrated expertise in performing audit, review and compilation services, management and advisory services, and computer support. Our mission is to help clients overcome business and financial challenges en route to the accumulation and retention of wealth. We take pride in being accessible and responsive to your specific needs and adhering to the highest standards of service and professional ethics.
