NMSI, Inc. was originally founded in 2008 as National Mortgage Service Incorporated, as a Mortgage Lender. The company continues to strive to offer their clients diverse loan product lines, competitive interest rates and flexible underwriting. Being the responsible lender that complies with all mortgage-lending laws, NMSI, Inc. offers a wide variety of lending programs under its Fixed Rate, No Negative Amortization ARM products. The company underwrites the property offered to secure an applicant's loan based on property type, occupancy status, and the appraised fair market value.
