UMD Urgent Medical Care is conveniently located in your local neighborhood in New York City. Your health is our priority and our clinics have multiple examination and procedure rooms for your convenience. UMD has modern facilities for X-Rays, EKG, Spirometry and an on-site laboratory for necessary testing (Blood Tests, etc.). Our experienced, board-certified physicians and health care professionals will provide high quality medical care to each and every patient. Our medical services are affordable as compared to a visit to the hospital emergency room. From advance diagnostic testing to a specialist follow up, experience reliable medical care and unparalleled services at UMD Urgent Medical Care in NYC.
